This study day is for those interested in learning more about Dyadic Developmental Psychotherapy (DDP, Dan Hughes' Attachment Focused Therapy Model) as well as an opportunity for people trained in DDP model to refresh their skills. Come learn how DDP can be effective with families who have experienced great stresses and relationship trauma.

Join us as we have presentations and engage in conversations and practice PACE. Attendees are encouraged to come with related questions about using the model in their practice.

Location: George Hull Centre for Children and Families
81 The East Mall, 3rd floor, Toronto, ON

Time: 9 am - 3:30 pm, registration at 8:30 am

Cost: \$75, including lunch
